NIL

IIITDM Kancheepuram

About the programme:

The objectives of the refresher course on "Wireless Communication" typically encompass a range of learning outcomes aimed at providing participants with a comprehensive understanding of the principles, technologies, and applications of wireless communication. Here are some common objectives.

- To make the participants understand the fundamentals of wireless communication.
- To train them with simulations of the practical wireless systems/techniques.
- To present the latest wireless technologies and discuss the research problems in this domain.

Registration:

- Register and login as a participant in mmc.ugc.ac.in
- In the dashboard click on "Apply for Other Programmes
- Select Apply for "Refresher Course" (Wireless Communication) from the dropdown select the Programme Name and Center Name as "Indian Information of Information Technology, Design and Manufacturing, Kancheepuram (17/03/2025 –29/03/2025)"
- Choose the title from the dropdown menu and enter the remaining personal information including year of joining, total years of experience etc.
- Upload the NOC on Institute/College/University letterhead as per the format provided **here**
- Click on Submit to complete the registration process.

Registration

Who can attend?

- Faculty members working in universities and colleges that are included under Section 2(f) of the UGC Act. The teachers of colleges that do not yet come within the purview of Section 2(f), but have been affiliated to a university for at least three years, will be permitted to participate in the courses.
- This programme shall be taken into consideration for fulfillment of the requirements as laid down in Career Advancement Scheme as per UGC Regulations
