

IIITDM Kancheepuram

invites you to

# EHIPASSIKO<sup>2019</sup>

Indian Institute of Information Technology Design and Manufacturing Kancheepuram, a center of excellence in IT and design for manufacturing invites you to Ehipassiko 2019.

Ehipassiko - meaning to come and see, is an industry open house where 150+ student teams will showcase prototypes of smart products related to five industry verticals

- Aerospace - Defence - Industrial goods
- Automobile, and Automotive Components
- Medical devices and Consumer Electronics
- Energy - Environment and Cleantech, and
- Process Industries and IT.

It is an great opportunity to discover innovative ideas and to interact with enthusiastic minds.
