WALK IN INTERVIEW

Engagement of Technician (Makerspace) & Technician (Media)

Indian Institute of Information Technology Design and Manufacturing, Kanchipuram is an Institution of National Importance established in 2007 by the Ministry of Education, Government of India and is located at the outskirts of Chennai. It is a Centre of Excellence for pursuing Design and Manufacturing oriented Engineering Education and Research and for promoting competitive advantage of Indian products in global markets.

IIITDM Kanchipuram's Teaching Learning Centre (TLC) for Design and Manufacturing Education is one of the select TLCs around the country funded by the MHRD under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT). The centre started functioning in December 2015 and is devoted to designing, developing, and disseminating affordable and innovative hands-on laboratory education and e-learning modules for design and manufacturing, for adoption by engineering universities/colleges and polytechnics in India. The Centre has been selected as a National Resource Centre for Design and Manufacturing Education and will offer interactive online (MOOC) courses in manufacturing technology.
